In our continued efforts to make the Super East Baseball League beneficial to our teams, we have set up a deal with *Pro Nine* to offer baseballs at a discounted price to all teams that participate in the Super East Baseball League. We are hoping that this is the first in a long line of helpful deals that are offered to the SEBL. We know you have many options for baseballs, however, if we can somehow work together and order baseballs as a league, we should be able to get deals like this on a more consistent basis as there is Power In Numbers.

Teams will not be charged for shipping as *Pro Nine* has agreed to ship all balls to the Super East office in East Hartford, CT. As long as we bulk order and ship to one address, shipping is free. Our official league order date is January 5, 2009. This date has been chosen so teams can pick up their baseballs at the SEBL scheduling meeting in the middle of February.

Any teams that would like to pre-order baseballs for the 2009 season can email Dan Kennedy at TeamCT44@aol.com. All orders need to be received by Sunday January 4, 2009. This will insure delivery for the scheduling meeting.
